

Your System for Asset & Wealth Management made in Switzerland

Allocare etops FIXhub

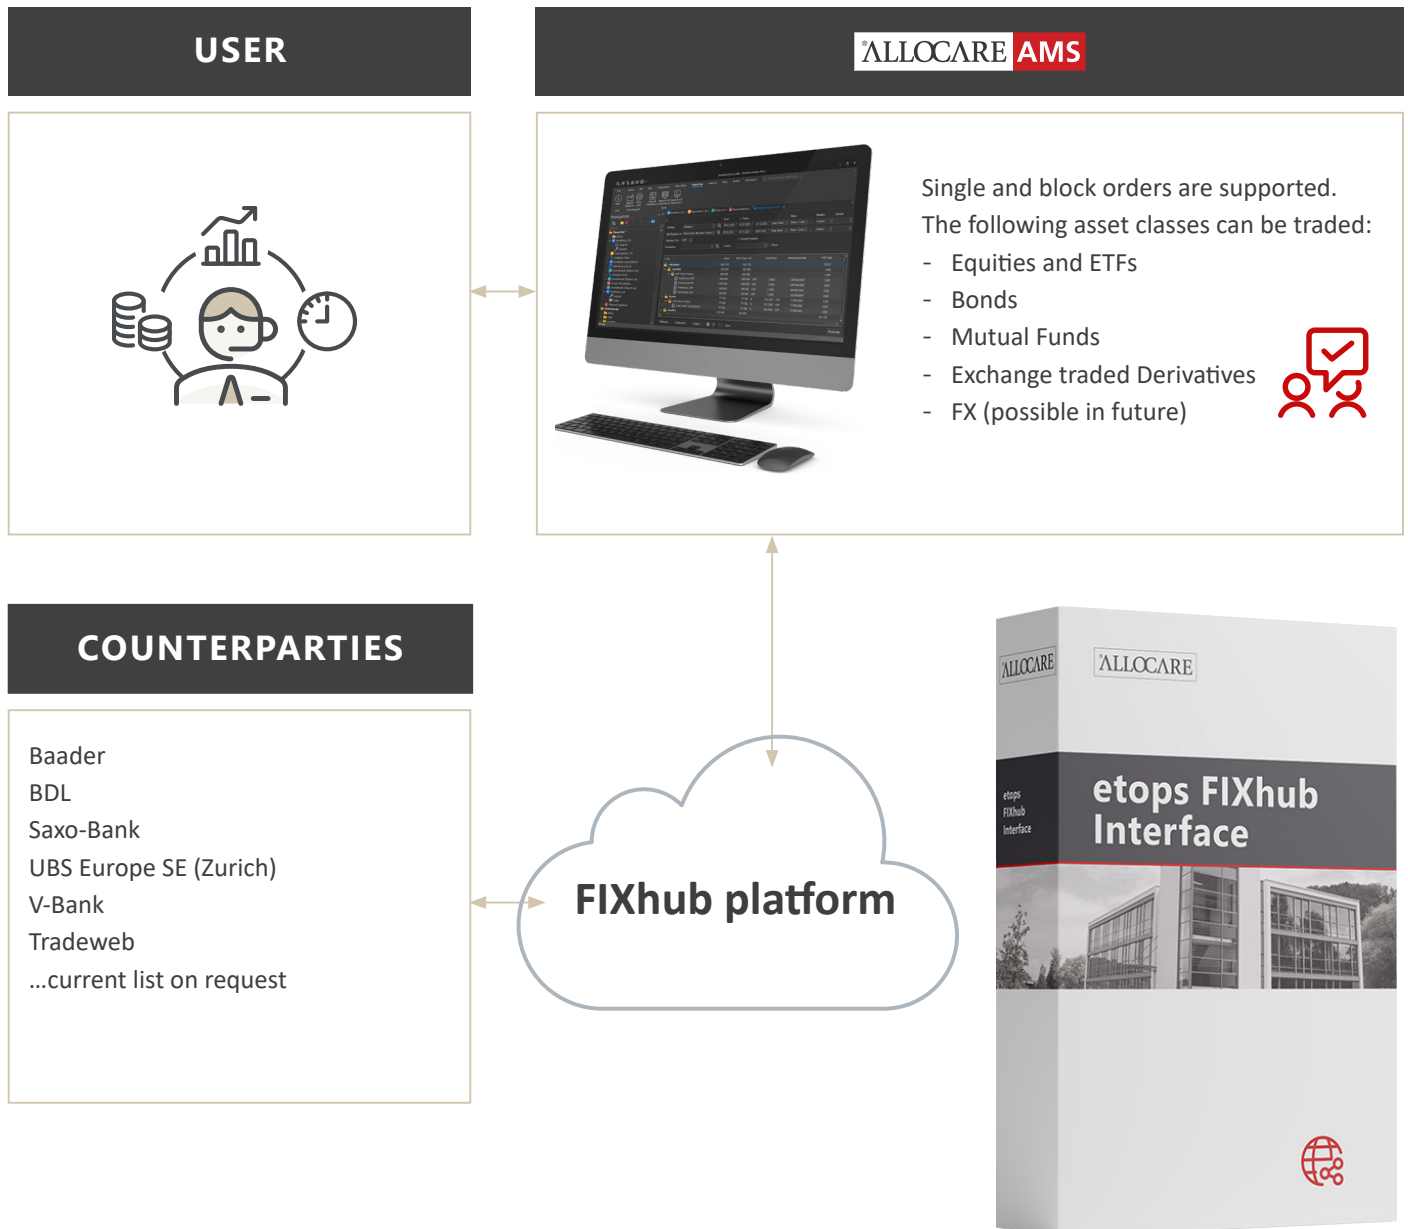

Allocare AMS boasts direct connectivity to your counterparties (banks, brokers, market places) utilizing the robust FIX platform from etops for seamless integration of your trades.

This specialized link provides you with the capability to trade stocks, bonds, funds and options efficiently.

The connection from Allocare AMS **via the etops FIXhub network** to the counterparties ensures fast, reliable and secure trade execution.

By leveraging the versatility of the FIX protocol, we have tailored our solution to these specific asset classes to optimize your trading strategies.

This connection has been designed to reduce operational complexity and costs while ensuring that installation and ongoing monitoring are kept to a minimum so that you can focus on what really matters - the effective management of your investment.
